

## CopyRobin Rates Corporate subscription 2023

Your CopyRobin Corporate subscription includes 40 credits per month for € 840.00 or € 21.00 per credit.

The number of credits (and therefore the price) per text is determined by two variables:

### 1. Length of the text

400, 800, 1200 words etc. So these are steps of 400 words (about 1 A4). The actual length can be between the lower and upper limits of such a block. So 800 words correspond with a length somewhere between 401 and 800 words.

### 2. Selected level of difficulty

#### Standard:

In principle, the briefing is sufficient, so the writer does not have to do his own research or telephone interviews.

#### Creative:

You want the writer to pay extra attention to creativity, research (supplied) sources and/or do a short (approx. 15 min) telephone interview.

#### Expert:

You want the writer to find and research sources himself, do a somewhat longer telephone interview (about 30 minutes) or write based on his or her own substantive expertise.

For extra credits, you pay the price per credit belonging to your subscription or less if your purchase falls within a more favourable tier.

(If you temporarily need more credits than are included in your subscription).
